

# THE 5<sup>TH</sup> HANDS-ON SURGICAL TRAINING (HOST) CONGENITAL HEART DISEASE SURGERY WITH 3D PRINT MODELS

December 7-9, 2019

Peter Gilgan Centre for Research and Learning (PGCRL)

Hospital for Sick Children, Toronto, Canada

♥ Generously Supported by Fabiola and Peter Butler ♥

The registration fee will be waived for the surgeons in training.

Peter and Fabiola Butler live in Toronto and have generously supported the Labatt Family Heart Centre and the HOST Training Program. Peter was born in 1959 with Tetralogy of Fallot. In 1961, Peter had his first surgery; a right Blalock-Taussig shunt followed by the full repair, performed by Dr. William Mustard at the Hospital for Sick Children in 1969. In 1988, Peter had a pulmonary valve replacement performed by Dr. William Williams of SickKids at The Toronto General Hospital.

Peter and Fabiola graduated from Ryerson University each with Business degrees in 1986. They married in 1989. Peter has worked in the technology industry for more than 30 years and in 1998 he co-founded VocaLinks Inc. VocaLinks Inc. is recognized as a leading integrator of speech recognition and assistive technologies for Business, Education, Healthcare, and Law Enforcement. Fabiola left a career in the Financial Services industry to join the fledgling company in 2002 and has quietly guided the team ever since.
